## ROYAL LIGHTER GAS

### ROYAL LIGHTER GAS

The Royal Lighter Gas Capsule is a multi-purpose tool that can be used at home, work, travel, as well as in various applications, including lighting candles, grills, fireplaces, stoves, campfires, and more. If you have a lighter that is your favorite and you intend to use it for a long time, besides charging and filling your lighters, the Royal lighter gas capsule fills any other standard lighter many times and saves money.

For greater safety and security, this product is produced from high-quality and refined raw materials without unpleasant odor with the best European machines and after product quality and load pressure tests, it is marketed in standard capsules.

### Product specifications

- **Volume:** 300 ml
