**ROYAL**  
TIRE WAX

## ROYAL TIRE WAX

This product cleans and shines the car tire easily and prevents the sun and heat to reduce the life of the tire wall. The water-resistant formula of this product offers extra durability against rain and multiple car washes, giving the consumer the smoothest and most convenient experience, by ensuring the tires shininess.

This product, like other Royal sprays, is produced from high-quality and refined raw materials with the use of the best European machinery in the assembly line. After prospering product quality controls and load pressure tests, the products will be marketed in standard cans with stylish and suitable packaging, assuring the safety of the consumer.

### Product specifications

- **Volume:** 650 ml
- **Packaging:** In cartons of 12

## Warning

- Never use on painted surfaces, plastic or rubber treads, motorcycle or bicycle tires and similar vehicles.
- Store the can in a dry place, out of the reach of children, away from direct sunlight and at a temperature below 50 degrees Celsius.
- Avoid contact of product vapors and sprays with your eyes, skin and clothes.
- Do not puncture and throw a full or even empty can into the fire.

## Usage

- Always work on a cool, shaded surface and it is best to wash the tires with a brush and water detergent before spraying this foam and make sure the tire is completely dry. Hold the can at a distance of 10 to 15 cm and spray evenly on the tire and allow it to dry naturally.
